WAYS TO HELP OUT AT CORNUCOPIA FOOD PANTRY

1. We need a core of people to staff the pantry when it is open, for 1-2 hour shifts, on Tuesday afternoons and Friday afternoons.
2. Helping with the Gift Baskets three times a year, Thanksgiving, winter and spring. What is really helpful is to do one or more baskets with your class, office, department, dorm floor, team, etc. We can give you specific food items for each holiday, and you can personalize them from there! We also need lots of help on the days we actually produce and distribute the baskets.
3. Donating food, picking up a few items whenever you go shopping. Having folks buy meats, eggs, dairy, bread, fruit and vegetables, paper products and health products is particularly appealing. We always have a need for these items. They are also the more expensive items, so donations of these are always appreciated. We always appreciate paper goods and personal hygiene items.
4. We need folks to periodically do our shopping at the NH Food Bank in Manchester.
5. We need drivers and pick up persons for items donated by a local supermarket in Dover Tuesday mornings each week, and on Saturday and Sunday morning from Trader Joes in Newington.
6. Organizing a food drive in your class, department, residence hall, apartment, etc. especially for the items we need at any given time.
7. We need volunteers with our monthly Patron Dinners, where we cook and eat with Cornucopia customers and shoppers.
8. We need volunteers to assist with our Durham community outreach dinners, which are held on a monthly basis on the second Friday of every month.
9. We need help maintaining and harvesting our Waysmeet gardens and getting them prepped for winter.
10. Pick up of weekly donations for the Bagel Works on Tuesday and Thursday evenings at 6:00 p.m, and What a Crock soup Tuesday and Thursday at 7:00 p.m.
11. Helping with our growing Food Rescue Operations!
12. We need help with arranging for surplus food from local farms, and other venues, to be delivered and donated to Cornucopia.
13. Helping to staff our new weekend hours from 11-12 on Saturday and Sunday to offer perishable food newly picked up from Trader Joe’s.
14. Helping to clean, check inventory, and move food periodically.

Last year, we provided over 500 food gift baskets to families; and served over 4,000 people on a weekly and emergency basis. We typically serve about 30-50 families per week. Cornucopia is a program of the Waysmeet Center and a partnership of the United Campus Ministry to UNH, the UNH Office of Community Service and Learning, The UNH Department of Residential Life, and the UNH Department of Housing.
